

NORWAY – DAILY ALLOWANCES ABROAD 2025

In contrast to previous years, in 2025 Norway published per diems in local currencies for those currencies for which the Norwegian Bank publishes daily exchange rates. Rest of the countries were published in NOK.

When applying foreign per diems in Bezala, the calculations are based on following fixed rates. The rates were calculated according to the exchange rates published by the Norwegian Bank on February 3, 2025, and were rounded to the nearest ten, as per diems that were published in NOK.
